

Master Your Garden
6th Annual Garden Expo – April 14 & 15, 2018
Sponsored by Master Gardeners of Hamilton County

Dear Vendor,

We would like to invite you to join us as a vendor/exhibitor at the Annual “Master Your Garden” Garden Expo at Camp Jordan Arena in East Ridge, TN.

If you have a nature or garden related business, this will be the perfect venue to share your products with residents of Chattanooga and the surrounding municipalities. This event is held indoors in a climate controlled facility with a concrete floor as opposed to most garden events that are held outside. So rain or shine we have a great show.

For the last five years, our attendance has grown, our vendors have had good sales with their variety of products and we have been able to provide scholarships to college students studying agriculture. This, our 6th year, we are planning to have 16 to 17 speakers presenting topics of interest to gardeners and homeowners. In addition, our goal is to have a variety of vendors offering a broad range of gardening and nature related products. The Master Gardeners of Hamilton County will have several demonstration booths showing proper techniques for mulching, composting, raised bed gardening and more. And the TN Valley Bonsai Society will again have a large exhibit.

Friday, April 13th, from 7:00am – 7:00pm will be available for vendors to set up their displays. Saturday, April 14th, and Sunday, April 15th, mornings from 8:00 – 9:45 is additional time for set up and/or restocking time. Take down will begin at the close of the expo on Sunday, April 15th, at 5:00pm and must be completed by 10:00pm. Many Master Gardeners will be available to help you set up and take down along with giving you lunch and other breaks during the two day event.

Our advertising, which is extensive, reaches 50,000 plus homes through radio, TV, magazines, newspapers, and social media outlets. A copy of last year’s program is enclosed for your perusal. We keep all our participating vendor information available for one year on our website.

Please go to our website mghc.org for more information. Vendor registrations forms are available online and can be printed off and mailed with a check payable to Master Gardeners of Hamilton County (MGHC). (A copy of the form is enclosed with this mailing.) Mailing address is on the form.

We appreciate your consideration and look forward to hearing from you soon. If you have any questions, please feel free to contact us at your convenience.

Thank you and we look forward to another successful Garden Expo!

Sincerely,

Carol Mathews
