

# Save the Date!

City of Chattanooga Water Quality Program  
**Rain Garden Design and Installation Workshop**

Saturday, December 6  
11:00 am – 4:00 pm

501 Winston St., Chattanooga, TN (Northshore, behind GPS)

*A free educational workshop intended for homeowners who want to learn how to design and build home rain gardens.*

The workshop is free, and lunch will be provided, but pre-registration is required.

Contact Wyn Miller at [miller\\_wyn@chattanooga.gov](mailto:miller_wyn@chattanooga.gov) to register.

For non-workshop participants, after the workshop we will have a social hour from 4 to 5 for discussion, questions, hot chocolate and s'mores! Come check out our work!

Stay tuned next week – Detailed agenda and curriculum to follow...
