***What is the Master Gardener Program?***

The Master Gardener program is an educational program designed to meet the gardening needs of our community while developing volunteers. Master Gardeners have time, talents, and resources that are critical to a successful horticulture program.

***What is the purpose of this program?***

The Master Gardener program is designed to teach people more about growing plants in the areas of gardening and horticulture. Master Gardeners provide volunteer leadership and service to their community in gardening activities.

***How much does it cost to become a Master Gardener?***

The fee is \$170 which includes a textbook, handouts and most materials.  
\$270 per couple sharing materials.  
Partial scholarships available to lower income students who promise to fulfill volunteer service in selected community projects. Send this request via email to:  
tstebbins@utk.edu

***What are the requirements to become a Master Gardener?***

To become a Master Gardener, you must take the 15 week class and do the required volunteer hours and CEU's. Two classes are offered at the UT Ag Center from Jan 8 -April 17, 2018.  
Monday nights 6pm-9pm **or**  
Tuesday morning 9am-noon  
(See class schedules at [www.MGHC.org](http://www.MGHC.org))

Students who complete the training, meet the attendance requirements, and complete at least 40 hours of volunteer service plus 8 CEU hours will be awarded the title of .....

***Tennessee Master Gardener***

Volunteer service hours benefit UT programs and the community.

Certification is valid for one year. 27 volunteer hours plus 8 continuing education hours (CEU) are required for yearly certification.

***Note: Master Gardeners use their title only when performing unpaid volunteer work. Master Gardeners make only UT approved recommendations and do not deal with commercial problems.***

***How do I fulfill my hours of Volunteer Service?***

**Volunteer Service**

Hamilton County Master Gardeners volunteer in many ways to fulfill their required service hours. Here are a few opportunities.

Assist in preparation for field days or at the Extension office, or serve on Master Gardener and other committees.

Carry out service projects related to Master Gardener training, including organizing and overseeing educational projects and working with other agencies as needed.

Teaching or preparing educational programs to groups, or writing newsletter articles.

**CEU – Continuing Education Units**

These are for personal improvement. Attend monthly Master Gardener meetings, garden seminars, and state conferences. 8CEUs required per year.

Master Gardeners and program coordinators are always open to new, creative ways of serving the community.

See our established projects on the back.
