I understand the title **Master Gardener** is conditional upon receiving training, performing service hours, and reporting those hours.

I understand that 40 hours of training are primarily by lecture. Some classes missed can be substituted by the videotape or a suitable alternative educational experience.

I agree to perform forty (40) hours of community service (ie. projects, events, consultations) and to report time spent, audience type and number, and type of work done.

I understand that further training (8hours) and further volunteer community service (27 hours) are required to retain Master Gardener status each year.

I will submit an on-line or written report of my training and volunteer service to support my continued status as a **Master Gardener**.

I agree to use UT recommendations or other University verified information for **Master Gardener** exhibits, demonstrations, projects, advice, presentations, etc.

I understand that my brief **statement on the back of this application** gives my intentions about doing community service. This may be used in accepting or returning my application.

The cost for the Master Gardener Training program is **\$140**. Please return applications to UT Extension, 6183 Adamson Circle, Chattanooga, TN 37416 by **December 31, 2009** or sooner.
