Agreement and Signature	
The Master Gardeners of Hamilton County or the University of Tennessee will not be held liable for loss or damage of vendors' property due to theft, fire, accidents, or other causes, nor for any injury to vendors, its employees or agents. Vendor warrants that they carry liability insurance providing coverage for their area of the show. The vendor's booth is an extension of their company, and as such they must have liability protection. Vendor is responsible for any employees or subcontractors that may be helping in their booth, or for any visitors in the booth, in the event of an injury. Vendor warrants that they carry vehicle liability insurance for any vehicle that is brought onto the facility premises.
